About Aquinos

One of the world's leading players

Aquinos Group is a leading producer of upholstered furniture and bedding, located in central Portugal. With comfort furniture at the heart of the business for over 37 years and with 20 factories across Europe, sofas and mattresses made in Aquinos are now present in thousands of homes all across the globe. This was only made possible, by cultivating honest, trustworthy and professional business relationships with over 50 countries on five continents, backed by an ever growing group of very talented, driven and experienced professionals.

harper

This big modular sofa transforms any living room into a warm and inviting space. HARPER's bold organic shapes combined with top comfort seating creates a visual dynamic. Composed by different elements, this piece features rounded seats and armrests that create a free standing illusion - a unique feature that will stand out in every space. The optional headrest provides extra comfort while sitting.

This perfect marriage between design and comfort makes HARPER a product you won't want to miss.
