Elizabeth

Sit back and relax as if you were in the English countryside with friends and a cup of tea. The welcoming feel of Elizabeth paired with the traditional English elements, like the rolled arms and skirt, form the perfect solution for those who like comfort with style!

ELIZABETH was created for those who aim for a beautiful and comfortable sofa with a hidden feature. The bed function (I-Open System) has an instant opening, so that everyone can open it easily. And the storage space underneath the chaise is the ideal place to store extra blankets and pillows so that every space is always nice and tidy.
