About Aquinos

One of the world's leading players

Aquinos Group is a leading producer of upholstered furniture and bedding, located in central Portugal. With comfort furniture at the heart of the business for over 37 years and with 20 factories across Europe, sofas and mattresses made in Aquinos are now present in thousands of homes all across the globe. This was only made possible, by cultivating honest, trustworthy and professional business relationships with over 50 countries on five continents, backed by an ever growing group of very talented, driven and experienced professionals.

Angie

ANGIE corner sofa strikes the perfect balance between comfort and sophistication.

With its distinguished design driven by its unique arm shape, this sofa will be the highlight any living room, whether it's classic or contemporary.

Nestled on a low shelter frame, ANGIE's soft seating arises from the combination of a generous layer of soft sense fibre, on top of soft cell foam, pocket springs and a nozag spring suspension.

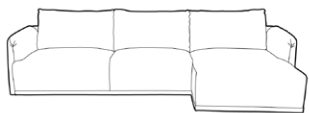

Its deep seating seats coupled to loose and reversible soft back cushions leads to a great relax experience.
