## About Aquinos

**One of the world's leading players**

Aquinos Group is a leading producer of upholstered furniture and bedding, located in central Portugal. With comfort furniture at the heart of the business for over 37 years and with 20 factories across Europe, sofas and mattresses made in Aquinos are now present in thousands of homes all across the globe. This was only made possible, by cultivating honest, trustworthy and professional business relationships with over 50 countries on five continents, backed by an ever growing group of very talented, driven and experienced professionals.

# Gui

GUI armchair is an elegant minimalist piece, that doubles as a chaise-longue.

Using the I-Open System, an easy to operate instant opening mechanism, any member of the family can sit and relax with legs stretched, comfortably snuggling up for a movie night, reading a book, or nursing a baby!

Finished with a linen look fabric, for a natural and modern style.
